Muzzy. Level II [DVD] : the the BBC Language Course for Children

The **BBC** Multilingual Language Program

Now available at this library

Muzzy, the prize-winning foreign language learning program for children, is now available at the Lawrence Branch of the Mercer County Library. Created by the BBC, this internationally acclaimed multilingual language course uses animated characters, entertaining stories and songs to bring language to life. The revolutionary method combines DVD cartoon books and CD-ROM books with interactive activities and games so children and adults can learn to read, speak and write English, French, German, Italian and Spanish at the same time.

Muzzy the Language Course Levels 1 and 2 DVD editions contain everything your child needs to learn a second language.

With Muzzy, learning a new language becomes child's play.
